2. First day

I wake up in the hostel I stayed at last Night and I quickly Shower

Dry my hair but it up put Make up on and get dressed in to my school cloths I then Grab All My Bags and Leave after checking i have everything I get a lift to town from the hostel worker I walk to the school gates and stop before walking through and down grabbing my Locker putting three of my Four bags inside I then close the door and lock it and look around trying to find anywhere or anyone that can tell me where to go to get my Timetable I Suddenly hear a voice say "You look Lost" I turn and see a guy Who is only probably a few years older than me "Yeah I don't suppose you know where i could find the head masters office do you? I have to get My time Table "I say He looks at me and smiles a half smile "I will show You come on "He says I follow him "I'm Finn Sharkey by the way I'm a New Teaching assistant " He Smiles "I'm Kira tell" I pause "Finn Sharkey You were by any chance Sambuca Kelly's Finn Sharkey were you ?" I ask He looks sad but nods "yeah How do you Know Sam" He asks "I'm Her Cousin "I say as we reach the office I get my Time Table and we leave "Let me Have a Look i will show you to your Lesson" He says I hand it to him "Here"He takes It and looks at it"

"Ok so you will Have registration In maths Today Tomorrow it will in P.E and so on" Finn says "Thanks" I Say "I'm helping out in all your lessons by the looks of things" He says I smile "cool" we go to Lesson Then Hours later it is the end of the school Day I Run up to Finn who is about to get in his car "Can I ask you a Favour ?" I say He Looks at me and nods "Last night I stayed in a hostel but I no where to stay tonight could you maybe drive me around till I can find somewhere to stay tonight or permanently? " I ask him "Tell you what i have a Spare room at my house which I own you can have it permanently " he says I look at him "sure you wont get in trouble ?" I say "We will keep it between us" He says "Go grab your bags "I smile "thanks" he nods I go grab my Bags we put the in his boot and drive to his I get out he grabs my Bags and carries them up to my new room Shows me where everything is and tells me I have a ensuite Bathroom then leave me to unpack and have a shower, I unpack then shower and change in to Jeans and a t-shirt before going down stairs "Hi" He turns around and look at me and smile "hey so do you fancy Home cook or take away ?" He asks "erm Take away if not to much to ask " I say "Thank fuck I did'nt really want to cook" he smirks I laugh "so Italian , Thai, Indian, Japanese or Chinese?" He asks "Chinese" I say "Ok" He says and orders "do you have anything you want to hang up on your walls like picture?" he ask and I nod so we go up stairs and put the picture up on the wall after hammering in some hooks, "thanks" I say "No worries" He says smiling we go down stairs and eat Supper then i go up stairs and look at him "would you stay with me tonight ? " I ask "He nods I look at him as we both walk in to my room and get on to the Bed and I look at him He looks at me as We both lay down so our heads are on pillows I lay close to him then fall asleep But wake up screaming Causing him to wake up "Kira you ok" He say Sleepily " Nightmare Sorry " I say " It's ok " He says I Rest my head on his chest my ear level with his heart and fall asleep Soon after he falls asleep again.

3. the past coming back to haunt

~Flash back to Nightmare ~

I am walking down a dark road when three masked men jump out at me and grab me, they drag me to an old abandoned house and tie me up to one of the old beds they strip me naked and take my cloths and each

one then rapes me repeatedly then beats me and leave me for dead not till they have all shown me their faces and I know each on my boyfriend and two of his mates ~ end of flashback ~

The next day I Get up and get ready for school and Finn has left already and left a note with a spare set of keys " Hi Kira sorry had to leave as had a meeting also don't want people talking so lock up and I will see you at school " I grab the keys and leave locking the door before walking to school I arrive at school and go inside and see someone and stop in my track and turn to run but I see another person I try going right but I cant I turn left and see a gap and leg it at full speed and run straight in to Finn I run behind him "Kira you ok ?" Finn says "Keep them away from me " I say cowering behind him as the three guys approach Finn stand his ground "Get lost if you know what's good for ya " he says "Your trespassing on private property " He say the move closer to him "Get lost before I call the police "he says firmly " you cant make us do anything " They say " I am a member of staff I am telling ya to get lost now" he says getting his phone out of his pocket and typing in the number for them "I am not kidding I will call the police " he says to them they look at him then at me "this isn't over Kira " one says and leaves and collapse to the ground and Finn drops down next to me "Kira what's wrong" I look at him " that guy who said it isn't over was my ex he and the other two the don't want me to get away again "I say "from what?" he asks " They raped me and beat me then left me for dead I was found by Sam no one but her and now you know " I say " I haven't had sex since " I say to him He looks at me and nods and holds me close "Its ok shhhhh" he says stroking my hair "I wont let anything happen to you I promise " He says I nod later that day we go home and I go to bed he stays with me all night again
